

When one
makes a
faerie bargain,
one must be
prepared to
pay the price.

There is one
silver lining.
I have nothing
to lose.

The thing
about love is
that you don't
realize you're
in it until
it's too late.

Rose Bargains,
they're called.

Bargains to make
us beautiful,
fragile, sweet —
perfect
English roses.

When one
makes a
faerie bargain,
one must be
prepared to
pay the price.

There is one
silver lining.
I have nothing
to lose.

In another
life, it would have
been us,
but not in this one.
I can't have you in
the way you
deserve to
be had.
